Canberra Presentation
We would like to invite all families and community members to attend a presentation from the Year 4-6 class on their Canberra Camp. It will be held on Wednesday 27th July from 2pm in the Rolleston Community Hall. It was with sincere thanks to a lot of community donations and fundraising that the students were able to travel to and explore our National Capital. We would like to show you the wonderful things that we experienced! Everyone is welcome to attend. We are looking forward to seeing you there.

Rolleston Art Work
The Art Work that Ruth Jones completed with the students last term won first place! The P&C will receive a cheque for $1000. The P&C have decided that the art work will be placed in the Rolleston Transaction Centre for the community to see before a more permanent location is decided.

The Kids Cancer Project
Pirate Day on the last day of Term 2 raised $59.30 for The Kids Cancer Project. Thank you for supporting this day!

Absences
PLEASE remember that you must let the school know before or on the day if your child is absent. You may let us know by phone, email or through your child’s communication book. The absence will be noted as an unexplained absence unless you have notified the school of the reason why your child is absent.
Kindness Day
Rolleston State School will be taking part in “Strive to be Kind Day” on Friday 29th July. Students are asked to wear yellow to school on this day for a gold coin donation.
Kindness is: The quality of being friendly, considerate and generous.

Student Council
There is NO sausage sizzle this week – we didn’t make it in to Emerald on the weekend for sausages! Sausage sizzles will be back next week.
Student Council will be running a raffle for Father’s Day in the coming weeks. Keep an eye out for tickets being sent home next week.

Value of the week – Care
Rule of the week – Putting rubbish in the right bin

Nationally Consistent Collection of Data on School Students with Disability

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

Have an amazing week!

Elizabeth Webb
Principal
