Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Developing, resourcing and implementing professional development to support teachers in data gathering, collation, analysis and use.
- Regular collection and analysis of data to develop individual students learning targets and goals.
- Teachers and teacher Aides working individually with students and groups of students to achieve set learning goals.

Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- Developing and implementing a whole school approach to teaching reading, writing and numeracy.
